

Your Business Creates A Positive Impact

The Hamilton Area YMCA has a variety of ways to help increase your company's presence within our community. As a trusted non-profit and long-time servant of the community, we not only offer positive brand alignment but also a direct connect to hundreds of local businesses, the Hamilton Township School District, other non-profits, thousands of members, and more.

From staff t-shirt branding to communications sponsorships to naming opportunities and more, **we can find the best ways to reach your target market whether your budget is \$1,500 or \$25,000+.** With programs like Y's Owls preschool to Active Adults programs for our seniors, and everything in between we can reach a broad target market as well as any micro target market that best suits your business.

Our YMCA has 2 beautiful branches, we host before and after school programs in 13 township elementary schools, and we provide a variety of Mission Programs from food distribution events to programs for those living with chronic disease, that serve our community and beyond – 45 total zip codes participate in our Y family.

Your marketing dollars receive a legitimate return on investment AND they support our Mission Programs, which our community's most vulnerable rely on. Contact Diana Zita to learn more about how we can help your business and how your investment creates positive impact. For more information, please contact Diana Zita at dzita@hamiltonymca.org or call 609.581.9622 ext. 130.
