

TECHNOLOGY POLICY
for
EARLY CHILDHOOD PROGRAMS

Screen Time is defined as; television, cell phone, or digital media

Early Childhood

Screen time, including television, cell phone use, or digital media is limited to less than 30 minutes per day for children attending a half-day program.

Screen time, including television, cell phone use, or digital media is limited to less than one hour per day for children attending full-day programs.

All screen time is eliminated for children under two years old.
