The Hamilton Area YMCA is a vibrant and exciting organization, one that touches the lives of countless children and families in our community. Our focus is to enrich the lives of our community through youth development, healthy living and social responsibility. Our mission driven programs are where we learn about inclusion and diversity, build self esteem, and become healthier through exercise, healthy living programs and much more. It takes a vast array of special individuals and a powerhouse of community support to achieve the vision set forth by our board of directors. Our honorees this evening exemplify these traits:
