SERVING THE COMMUNITY

The Hamilton Area YMCA provides valuable programs and services to more than 14,000 children, individuals and families throughout Hamilton Township and surrounding communities. We take great pride in knowing that these programs nurture the potential of children, promote healthy living and foster a sense of social responsibility!

You may not realize that the YMCA is different from other gym and child care facilities because we do not turn anyone away from participating in our programs because of their inability to pay for them. Your support of our Strong Communities Annual Giving Campaign will directly benefit individuals and families in need of financial assistance.

In 2011, our YMCA provided over 350 individuals and families with more than \$130,000 in financial assistance. Also, many programs we offer are valuable to the community such as Active Older Adults (A.O.A), Special Kids Organized Recreation (S.K.O.R.), and Y Connection middle school program, but in order to provide them at low or no cost, our YMCA absorbs the additional \$125,000 that it takes to run them.

We need your help—through financial contributions and volunteer efforts—to provide children and families in our community with programs they need, such as preschool, after school care or summer day camp, but cannot afford due to their financial situation.

TURN YOUR GIFT INTO...

THEIR HEALTH

Improving the nation’s health and well-being is a priority for the Y. At the Y, we help children and adults understand and value their health, and we nurture their well-being. We offer resources and guidance to maintain or improve physical activity, health and wellness. The Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for their spirit, mind and body.

THEIR FUTURE

At the Y, strengthening community is our cause. The Y has been listening and responding to our communities’ most critical needs for 160 years. Whether developing skills or emotional well-being, welcoming and connecting diverse populations or advocating for healthier communities, the Y fosters the care and respect all people need and deserve.

Across America, our staff and volunteers are kids, parents, grandparents, neighbors and local leaders who are all personally committed to understanding what our neighborhoods need. Together we can build stronger, more inclusive communities, provide support for families and promote positive change overall.

“Financial assistance will benefit my son’s life because it will allow him to go to summer day camp and meet new friends, participate in numerous activities, and enjoy a normal, happy and fun summer while we work to build the pieces of our life back together.”

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development. Through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Y activities give our children the opportunity to become confident kids today and healthier, happier grown-ups tomorrow.
