

Enrichment

The Hamilton Area YMCA offers Enrichment classes to integrate all areas of development. Participants will learn through stimulating activities and enhanced play.

Progressive classes, offered for ages 1-5, will provide children the skills to help them study their everyday surroundings and learn some answers for themselves.

Preschool Programs

Books Alive! (ages 3 - 5)

Art, Music, and Specialized Activities designed to expand upon the theme of the story are presented in a fun and interactive way to bring "Books Alive"! Dial ext. 127

Down to Earth (ages 3-5) *NEW!*

Children will discover the wonders of nature through direct hands-on experiences. Dial ext. 127

Exploration Station (ages 3-5) *NEW!*

A new preschool enrichment program designed for children ages 3-5. Exploration Station includes the areas of art and literature, math concepts and vocabulary building. Dial ext. 127

First Step (ages 2 1/2 – 3 1/2 years)

Opportunities for cooperative play, story time, music, and age-appropriate, hands-on activities provide a preschool experience that is stimulating and fun. Dial ext. 127

Kids Koncoctions (ages 3-5)

This hands-on class will provide opportunities to develop children's fine motor skills with new, interesting ways to concoct mushy, stretchy creations. Dial ext. 127 at JKR Dial ext. 21105 at Sawmill

Kindergarten, Here I Come (ages 4-5) *NEW!*

This program is designed to further prepare the Pre-K student for Kindergarten. Class time focuses on writing, phonics in reading, reading comprehension, math and science and will help parents become a partner in their child's learning experience. Dial ext. 127

Preschool Explorers! (ages 2 1/2-4)

Children explore through our Sensory Area with sand and water play, shaving cream, play dough and other tactile activities. Play is messy!
Dial ext. 127

Preschool Math (ages 3 - 5)

This class incorporates basic math fundamentals through PLAY.
Dial ext. 127

Preschool Science (ages 3 - 5)

Preschool Scientists will explore the world of science around them through fun, interactive activities, experiments, and observations. Some tasks may be messy! Dial ext. 127

Sign Language (ages 3-5) *NEW!*

Children will have fun learning songs and more using American Sign Language. Dial ext. 127

Social Butterflies (ages 2 - 3)

Social Butterflies is the perfect way to transition your toddler from the parent/child experience to his or her first independent class. Children will be introduced to a social experience in a classroom setting, with hands-on, age-appropriate activities. Dial ext. 127

Step Ahead (ages 3 - 5)

A continuation of First Step, Step Ahead provides time for snack and enrichment in the areas of small group time and physical development.
