

The Y is a diverse organization of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living, and fostering a sense of social responsibility.

Our membership is 21 million strong, and spread across more than 2600 Y associations nationwide. Since no two communities are exactly alike, no two Y's are exactly alike. We bring men, women, and children – just like you together – and our shared commitment to our communities ensures the opportunities to learn, grow and thrive that we create for all are ones that endure.

While our programs and facilities are always based on the unique needs and interests of our communities, every Y has one thing in common: our people. The volunteers, staff, members, and donors of the Y are all united by a deep commitment to strengthen our communities.

Join us – we could use someone like you.

## NO ONE IS TURNED AWAY

In 2010, our YMCA provided over \$100,000 in financial assistance to 250 individuals and families (75% increase over 2009). In addition, our YMCA subsidized multiple programs, like Special Kids Organized Recreation (SKOR), Active Older Adults (AOA) and Y connection, that were offered at low or no cost to participants.
