

GIVING OPPORTUNITIES

The Hamilton Area YMCA has a variety of options for individuals/companies to make a difference in the community. By giving to the Y, you will not only be supporting vital programs, but you will also receive exposure for you and/or your company:

Strong Communities Campaign – Held during February and March, this annual giving campaign is our primary method of raising money to support our Y financial assistance program. The campaign relies on teams of volunteers to raise money for individuals and families in need of financial assistance. Strong Communities Campaign brochure
