# WELCOME

Dear YMCA Camp Parents/Guardians,

Welcome to Summer Camp at the Hamilton Area YMCA, Sawmill Branch location.

YMCA Day Camps offer children positive developmental experiences and encourages your child them to create friendships with each other and with our staff. Our camp programs focus on building confidence through skill-building age-appropriate activities. Children experience a sense of achievement through opportunities in the outdoors and are welcomed to a physically and emotionally safe and stimulating environment.

Day campers are able to explore creativity, teamwork and leadership in a wide range of physically active programs that influence lifelong healthy living.

Our goal is to introduce children to as many new experiences as possible and help each child feel confident and secure in a fun, safe camp environment. Our day camps challenge children to grow in imagination, creativity, self-directed initiative and leadership.

We are dedicated to changing the lives of our campers by creating friendships and memories that will last a lifetime.

Counselors are selected for their skills, enthusiasm, and dedication to building strong kids. All summer camp staff members complete an extensive pre-camp training that includes character development, age appropriate activities, program planning, positive discipline, basic first aid and emergency procedures, child abuse prevention and recognition because Safety is our number one priority at camp.

As you read through this handbook, you will receive a better understanding of how our program operates. Our hopes are that it will help prepare you and your child for a safe and fun camp experience. Set aside some time with your child to read this handbook, it will give you some suggestions to help prepare for our exciting summer together. However, if you have further questions or concerns please feel free to contact us.

We look forward to having you this summer.

Sincerely,

Camp Leadership Team

## **Program Rules**

### ***Summer Camp Discipline Policy***

It is the YMCA's goal to provide a healthy, safe and secure environment for all day camp participants. Children who attend the program are expected to follow the behavior guidelines based on the four core values and to interact appropriately in a group setting.

As stated in the New Jersey Youth Camp Safety Act Standards 8:25-2.4a. a. Policies and procedures for discipline of a child shall be clearly stated and furnished in writing to all employees of the camp. A child shall not be deprived of food, isolated or subjected to corporal punishment or abusive physical exercise as a means of punishment either by staff or by another camper.

b. Reasonable grouping according to age and the capabilities of each child shall be observed in all activities, including contact sports.

Behavior Guidelines:

- We will **CARE** for ourselves and for those around us.
- **HONESTY** will be the basis for all relationships and interactions.
- People are **RESPONSIBLE** for their actions.
- We **RESPECT** each other and the environment.

At times campers may behave inappropriately. Some of their behaviors may even be injurious to themselves or others. In order to preserve the safety of the children, these behaviors must be controlled.

When a camper does not follow the behavior guidelines, we will take the following steps:

1. Staff will redirect the camper to more appropriate behavior.
2. The camper will be reminded of the behavior guidelines and day camp rules, and a discussion will take place.
3. If the behavior persists, a parent will be notified of the problem.
4. The staff will document the situation. This written documentation will include what the behavior is, what provoked the problem, and the corrective action taken. Parents will be notified by a note, phone call or conversation during Camper Sign In/Out if negative behavior becomes a concern. \*
5. If a child's behavior at any time threatens the immediate safety of them, other children, or staff, the parent may be notified and expected to pick up the child immediately.
6. Continuous disruptive behavior may result in a 1 – 3-day suspension from the Summer Camp program. \*\*
7. Expulsion from the Summer Camp program will be considered if a camper's disruptive behavior cannot be redirected.

\*Parents are notified about any inappropriate behavior experienced at Summer Camp when they pick their child up at the end of the day (or at work if necessary).

\*\*The YMCA reserves the right to suspend any child from the program if necessary. A disruptive child can quickly spoil the cooperative atmosphere of the Summer Camp program.

### ***Fighting***

For the safety of all of the children at camp, physical fighting is absolutely prohibited and will

not be tolerated. Therefore, any fighting offense may result in immediate suspension from the program.

***Weapons/Threats***

Weapons of any kind or threat of using or possession are strictly prohibited. Parent/Guardian will be notified in the event that a threat or weapon is found. The appropriate action will be taken by the Camp Director, which may include notifying local police. Possession of a weapon and/or a threat may result in immediate suspension or expulsion.

***Expulsion***

If your child continuously displays inappropriate behavior (i.e. fighting, stealing, bullying, abusive language, etc.), he/she may be dismissed from participating in camp indefinitely.

**Payment for suspended or expelled camp weeks is not refundable.**

## Summer Camp Positive Behavior Program

### *Four Core Value Initiative*

Part 1: Camper of the Week Purpose: To encourage a positive, friendly environment and culture with campers, a goal for campers to work towards, incorporating our values into our program.

Awarded and selected by: Staff directly working with the campers

Can be awarded to one for your overall camp, one for each group, or both, depending on the size and structure of your camp.

Guidelines for awarding:

- Consistent practice of values (Honesty, Responsibility, Respect and Caring) · Continued growth/improvement of the child (ex – you see a child succeeding in keeping their hands to themselves/shouting out without raising their hand throughout the summer)
- Progress of skill development
- Be intentional, the child should truly deserve it
- Keep in mind who receives it each week
- CIT input

Part 2: Values in Action

Purpose: Beyond camper of the week, recognizing campers who consistently display our core values in action. To be awarded at closing ceremony's each week, a camper should

be selected for each value.

- Y wrist band awarded for the respective value (encourage campers to wear)
  - o This could be done with counselors as well

### Part 3: Y Bucks

Purpose: Same purpose as camper of the week, but to provide instant recognition. Y bucks are in the denomination of \$1.00, and should be awarded with consistent practices by all staff. The camp leader is to create Y buck rewards correlating with the scope of their facility/structure, for the campers to exchange their Y bucks for on Fridays.

Awarded by: any staff member who sees a positive interaction (Camp leader, exec, counselor, before care counselor, etc)

### **PROGRAM SPECIFICS**

Daily activities vary from camp to camp and week to week, but the typical daily components include: Opening and closing ceremonies, small group time for each age group and their counselors, large group or all-camp activities (special events), lunch, quiet time (or story time for the preschoolers), and activity periods.

The camp programs include but are not limited to: games, sports, drama, swimming (instructional and or free swim) art and crafts, cooking, music and singing, outdoor living skills activities, academic enrichment activities, special events, speakers and in house experiences.

Campers are grouped with peers of similar ages and participate in the majority of camp activities with this group. This group will have the same counselors with them for the week. This allows the counselors to get to know each camper in depth. For specific activities, such as swimming, the campers will be divided into groups by ability or interest group. This allows the camper to progress more quickly when grouped with campers of the same skill level.

Supervision is one of the key requirements in the prevention of accidents, injuries and/or any harm occurring to a child within our YMCA camp programs. Camp staff must have the ability and skills to assess potential risks during supervision and be able to implement changes to supervision to avoid accidents, injuries or harm. For this reason, all YMCA staff are to be diligent, adhere to and implement the components of the YMCA Supervision Policy at all times for preschoolers and school age children within care- whether on or off YMCA sites. Children in camp shall be supervised at all times according to state mandated ratios for each particular age group. Ratios change for swimming and for mixed age groupings. The phrase "supervised at all times" means that each staff person shall be assigned the responsibility of supervising specific children.

## ***Program Staffing***

Our YMCA camps provide a staff of well-trained counselors and activity specialists dedicated to providing campers a rewarding and memorable summer camp experience. YMCA staff members (role models) are trained in child appropriate practices, CPR/First Aid, child abuse recognition and prevention, program planning, character development and positive discipline.

## ***Grouping of Campers***

The campers participating in our programs are grouped on the basis of age and are balanced in terms of gender as closely as possible. All of our activities are co-ed and challenge by choice.

In cases where children have requested to be with other campers of a different age group, we will place the older camper with the younger camper's group. Although we would like to accommodate everyone's wishes, scheduling conflicts do arise where we simply may not be able to accommodate your child's request to be placed with specific campers.

## ***Swimming Policy***

Campers enrolled at camps held at the Sawmill Branch will have the opportunity to participate in recreational swimming two times a day, weather permitting. All swimming is done under the supervision of certified lifeguards. All willing campers are tested on the first day of each session, to identify shallow and deep end swimmers. All deep end swimmers will receive a colored wristband to identify them as a deep end swimmer. Campers should wear the wristband for the duration of the week. All long hair must be tied back with a hair tie, barrettes are not acceptable.

During swim time, campers who choose not to participate must sit on the pool deck during the assigned swim time. Please send a book or magazine to occupy the time. Phones and electronics will not be allowed.

## ***Swimwear***

A bathing suit must be worn when swimming. If you choose to send your camper to camp in a bathing suit, please send a dry change of clothes and a plastic bag for wet swimsuits.

## ***What campers should wear to camp***

Campers need to dress appropriately and comfortably for camp. Please dress campers in shorts, t-shirts, socks, and sneakers for the weather. **Please label all belongings.**

## ***Footwear***

**Campers are required to wear sneakers or closed toed/closed heeled shoes during the camp day.** Proper footwear is required to minimize the risks of camper injury. *Crocs are not permitted at camp.*

Sandals and Flip Flops should only be worn at the pool or if campers are in a camp game or activity that involves water.

## ***Sunscreen***

The campers are outside all day; therefore, the sun is a concern for us at camp. We are committed to making sure your child is safe from the sun. Campers should apply sunscreen in order to protect themselves from UV rays. The counselors, camp leadership team and the camp nurse will remind campers to apply sunscreen throughout the day, however, all campers must be able to apply it to themselves as our staff cannot, unless there is written parental/guardian consent.

**Sunscreen must be a lotion, not a spray (aerosol and continuous spray types are prohibited).** Sunscreen should be waterproof and sweat proof. You must provide your campers sunscreen.

Zinc is good to protect extra sensitive areas on the face. A hat and swim shirt are also a good protectant.

### ***Water***

We strongly encourage everyone to bring water bottles with them to help keep them hydrated. Several 5-gallon water containers and water fountains will be available throughout the camp for campers to refill their water bottle throughout the day.

### ***Lunch***

All campers need to bring a lunch complete with food and drink in a reusable lunch bag or cooler. The camp is not responsible for refrigerating lunches, so please prepare lunches accordingly. Frozen juice boxes or water bottles can be used to help keep lunches cold. Remember to label all camper belongings, including lunch boxes and water bottles. PLEASE DO NOT SEND SODA OR CANDY TO CAMP.

### **Buying Lunch**

Jersey Mikes of the Hamilton Marketplace provides a lunch option Monday – Friday for those that would like to purchase a lunch. The registration form can be found in the resources section [www.hamiltonymca.org/camp](http://www.hamiltonymca.org/camp).

### ***Back Pack***

Campers should bring a back pack/string bag to carry their camp belongings (lunch, bathing

suit, towel, etc.) All personal items are the responsibility of the camper, not the staff.

week in the gym. **Stray items are collected at the end of Post Camp.** Please check your child's belongings daily as the lost and found tables fill up quickly. Any articles not claimed by the last day of the session will be donated to a charity of the YMCA's choice.
