OUR MISSION

Our mission is to provide a safe, fun and welcoming environment for our campers, staff and families. Camp programming is designed to foster growth and independence. We hire and train counselors who are leaders in our schools, in sports, and in our community. Our staff connect with each individual camper to help provide countless opportunities for them to make friends and build relationships.

The Hamilton Area YMCA has offered youth programming such as summer camp for more than 70 years. In 2002, our Y expanded by opening its Sawmill Branch - a dedicated home to Summer Camp and Recreation.

Camper Opportunities for **GROWTH**

We are proud to have partnerships with community-based organizations such as the Girl Scouts, First Tee Golf, Penn Medicine, Hamilton Township Health Department, and more. In addition to all of the exciting programming we offer, these organizations provide activities that strengthen our campers' social, emotional, and behavioral competence.

The Hamilton Township Health Department creates a culture of health by increasing accessibility and promoting health equity through honest and credible services and community engagement.

The Girl Scouts builds girls of courage, confidence, and character, who make the world a better place. STEM programs increase a strong sense of self, positive values, challenge seeking, healthy relationships and community problem solving. Girl Scouts empower today's girls to become tomorrow's leaders.

Penn Medicine offers several programs to our campers such as the Safe Sitter program, designed for kids that are ages 11 - 14, that teaches CPR and babysitting safety, and RAD Kids which teaches self-defense for all ages.

First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence, and resilience that kids can carry to everything they do. We're Building Game Changers through our junior golf programs.

Our leadership team are college graduates who are working professionals in the fields of education and child development with more than 40 years of camp experience. Our senior counselors are at least 18 years of age with prior experience working with children. Many of our staff have been former campers and have gone through our counselor in training program. All staff participate in over 35 hours of YMCA pre camp training. Topics include age appropriate activities, behavior management, risk management, health and safety, child abuse prevention and more. All staff are certified in First Aid and CPR. There is a camp nurse on-site each day.

Parents Trust Us

When you drop your child off at camp, we know that you are trusting us to provide high-quality care. With a low, camper-to-staff ratio, each child receives the attention they need to grow in a safe, supportive environment. The Hamilton Area YMCA has been proudly serving the Community for more than 70 years and over two decades at our Sawmill Branch.

Everyone belongs at the Y.

We believe in serving the needs of all members of our community including those who may be unable to pay the full cost of membership or programs.
