## **OUR MISSION**

Our mission is to provide a safe, fun and welcoming environment for our campers, staff and families. Camp programing is designed to foster growth and independence. We hire and train counselors who are leaders in our schools, in sports, and in our community. Our staff connect with each individual camper to help provide countless opportunities for them to make friends and build relationships.

The Hamilton Area YMCA has offered youth programming such as summer camp for 75 years. In 2002, our Y expanded by opening its Sawmill Branch - a dedicated home to Summer Camp and Recreation.
